Your Passport to the Exciting World of Learning Vacations

Planning your next trip? Take a photo excursion into the icy world of Antarctica and get up close and personal with a pair of penguins. See travelers learning Chinese calligraphy, taking pictures of 100 year old turtles in the Galapagos Islands, and exploring Egyptian monuments. Don't forget to bookmark or add to favorites so that you come back and visit us again. And, while you're visiting, check out the comments from other travelers and the media have made about these Learning Vacations.

Combine the Exciting World of Travel with The Joy of Learning

- View our user friendly web site that allows you to easily search and find the program of your choice by Region, Destination, Date, and Price.
- Read complete program descriptions including colorful photographs and unique features of our escorted cultural and natural history tours around the globe.
- Learn about the benefits of traveling in small groups and the opportunity to meet with local people in foreign places.
- Learn about our expert escorts and resource specialists used on each of our programs.
- Read about "What the Media and Past Participants" have to say about our Learning Vacations.
- Subscribe to our popular Free Cyber Travel Newsletter and find such information-packed features as Book and Video Selections, Recipes, Trivia, Travelers' Quotes, and a Geography Quiz - all related to a highlighted country.

Visit us before you plan your next trip!

*If you didn't learn anything
from your last vacation,
then you weren't traveling
with us.*
